

The image features a large, white, stylized number '10' centered on a blue background. The background is composed of two shades of blue: a lighter blue for the main area and a darker blue for the bottom-right corner, which is folded over like a piece of paper. The number '1' is a simple vertical bar with a small horizontal tick at the top. The number '0' is a thick, rounded oval. The overall design is clean and modern, with rounded corners and a subtle shadow effect on the folded corner.
